Rod & Custom Association

President's Pen

I hope everyone is surviving the weather!

I want to thank the outgoing President, Treasurer, Secretary, and all of the Board Members and Committee Chairs. Like the "Godfather" said, "these are the kind of people that keep our club together." Stephanie Fisher is right. My shoe's (in size only) may be bigger than hers, but John Kaufman's are going to be hard to fill. I will do my best to live up to the standards and objectives set up by this great car club. Thank you for your vote of confidence, it was a tough campaign. I look forward to working with not only the Officers and Board Members, but working for all of the members of our club.

Like most of you, I have been a car nut since I was 15, (50 years). If you have any ideas or suggestions for the up coming cruise season let me know. Let's be safe and have some serious fun cruisin' in 2015. "Come on Spring!"
